As the signst rocket fled toward the funsement at the President's touch the Bartholdi status was transformed by service, the Lieutenant replied.

The crank, who gave his name as posseph Acks of 610 East 140th street, said he was an Austrian, 29 years old, a carpenier, and that he had been in the United States for eighteen years. He had been under observation since early in the evening. His clothes were next enough, but he seemed to have an aimless way of moving about, and to the trained eyes of the detectives he did not seem to belong "in the picture." As the agnal rocket fled toward the pre 6 o'clock, Miss Ruth Law, who been axily iteling the barbor with believe light gleaming at the front her biplane and looking for all the orid as f a planet had swung from its at macring, touched a button with her free hand as she winged 1,000 feet bette the glowing statue, the President's solt and the Atlantic fleet.
